

A romantic scene featuring a man and a woman dancing together. The man is wearing a white shirt, a grey vest, and a blue tie. The woman is wearing a dark blue sari with gold jewelry. They are surrounded by numerous glowing, spherical paper lanterns of various sizes, creating a warm and festive atmosphere. The background is dark, making the lanterns and the couple stand out.

ADVENTURE

BY

PANDEHERYANA

Hello,

Thanks for the interest in my photography. It's tricky to show you who I am in a price list, also about the team. so instead I'll go through a couple of things I think are important and set me apart.

Based in one of the most beautiful destinations in the world, Pande takes artistic, award-winning images of people in love. A visual storyteller and true artist in every sense of the word, he authentically tells your love story in the most creative, truthful manner. Using the ethereal backdrop of Indonesia as his canvas, Pande's innovative photojournalistic style infuses all things we love about photography : incredible lighting and composition, breathtaking landscapes, and compelling imagery.

An adventure seeker and lover of exploring new destinations, Pande will travel anywhere in the world to give you one of a kind images that celebrate your love for one another.

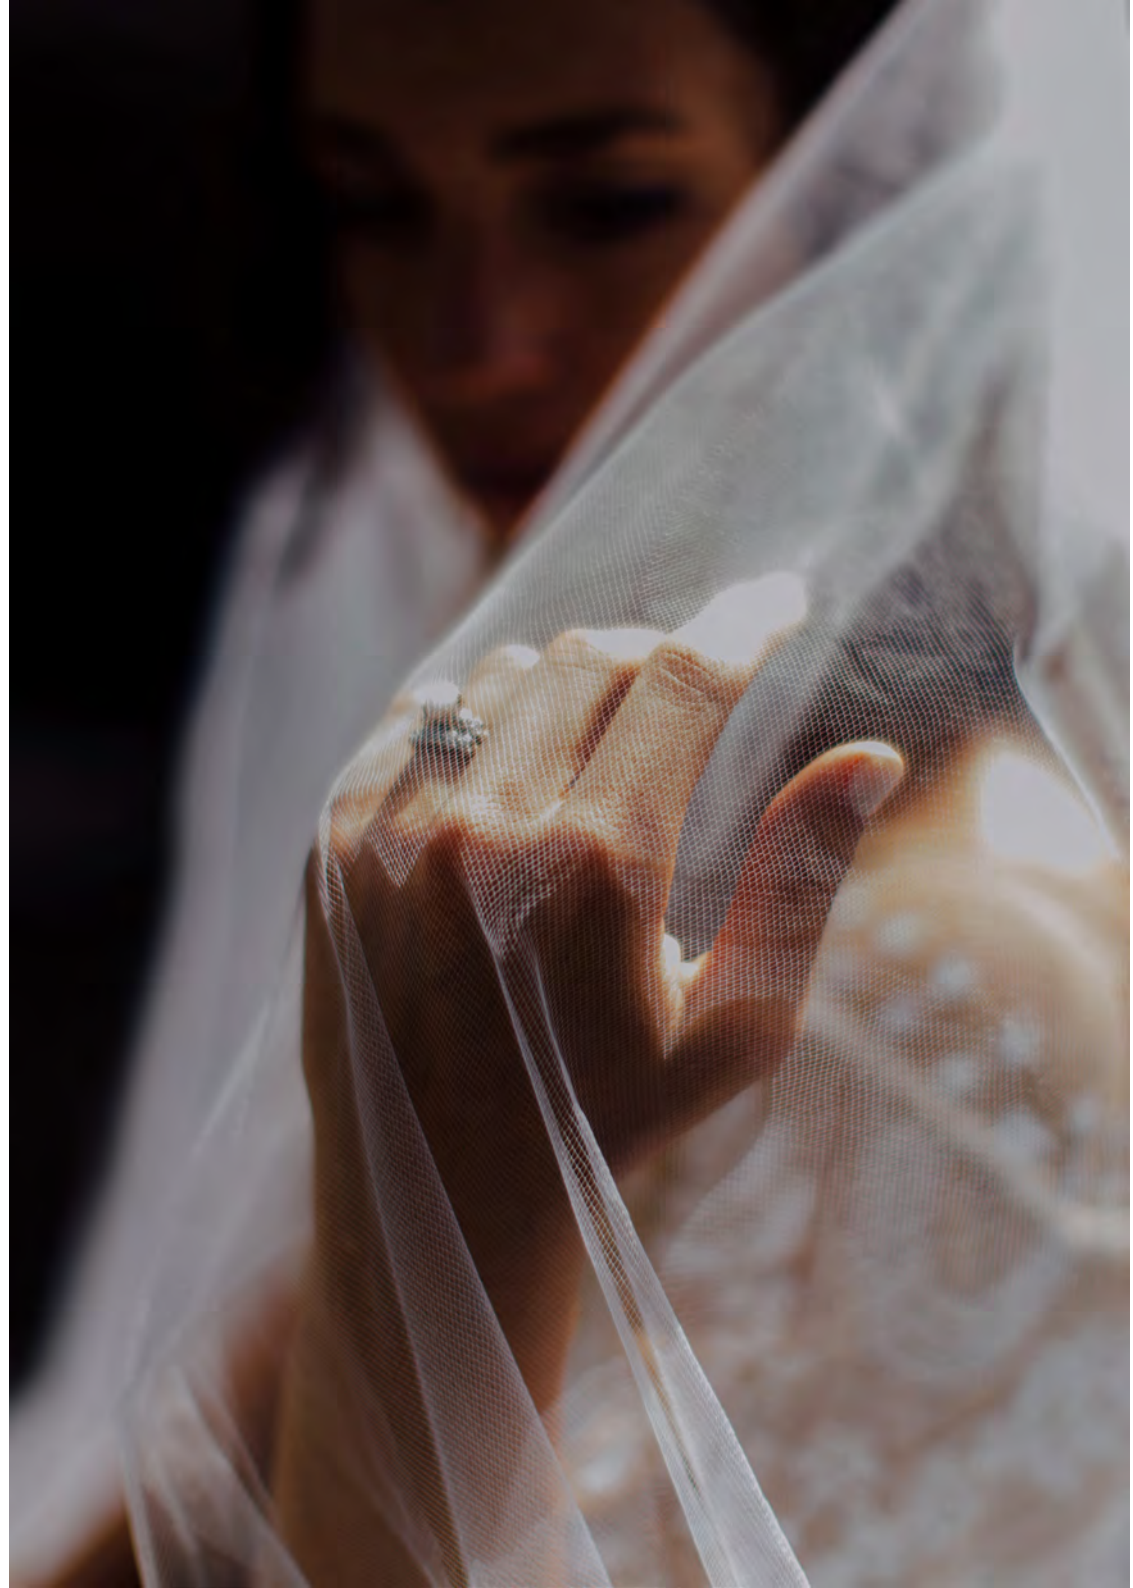

### ***#JunebugWeddings***

I'm proudly announce some of my artwork have been featured on VSCO Looks Like Film, Junebug Weddings, Bridestory, La Bride, The Wedding Scoop, The Wedding Notebook, Weddingku and many more.

*For Wedding destination, travel fee apply Available travel worldwide*

A romantic couple is shown in a close embrace, their heads tilted down. The scene is bathed in a warm, golden light, likely from the setting or rising sun, creating a soft, intimate atmosphere. The woman on the left has long, dark hair and is wearing a dark top with a delicate floral pattern. The man on the right has short hair and is wearing a dark, short-sleeved shirt. The background is out of focus, showing what appears to be a stone wall or a similar textured surface.
